

NOTICE OF CHANGE IN TARIFFS  
Colorado Natural Gas, Inc., 10825 E. Geddes Avenue, Suite 410, Centennial, CO 80112

You are hereby notified that Colorado Natural Gas, Inc. (“CNG”) has filed with the Colorado Public Utilities Commission (“PUC”) an application for permission to modify its gas cost adjustment rates to become effective November 1, 2023, if the application is granted by the PUC. If granted, this change in rates will affect all sales customers.

This is notice of CNG’s Gas Cost Adjustment (“GCA”) filing for the gas purchased on behalf of its customers. CNG only recovers actual costs from our customers with no mark-up on or to the purchase price of the natural gas. CNG does not earn money on gas costs; *we pay exactly what you pay*. Your cost per therm is changing from your current GCA rate and goes into effect for the period from November 2023 through March 2023.
